**DECLINE TO SIGN:** Recently passed LB753, the *Opportunity  
Scholarships Act*, helps to insure that our state's most vulnerable and  
financially challenged students have educational choices other than  
government schools. **It has great potential to help students from  
Sacred Heart Parish** who wish to have educational choice. However,  
within hours of the signing of that bill by the Governor, the powerful  
government school teacher's union, the NSEA, began a petition effort to  
repeal the law by referendum. The NSEA claims that the Opportunity  
Scholarship Act will "hurt" government schools, which is false. Studies  
show that "school choice programs improve academic outcomes for not  
only the program participants, but also the students in public schools;  
save taxpayers money; and reduce racial segregation." Arguments  
against school choice have consistently been rooted in falsehood,  
deliberate misinformation or an attempt to smear non-public schools,  
such as Catholic schools. For more information, see the column by  
Jeremy Ekeler of the Nebraska Catholic Conference on school choice, in  
the July 7th, 2023 edition of the *Southern Nebraska Register*. If asked to  
sign the NSEA petition, I pray that you will kindly, and politely,  
**DECLINE TO SIGN.**
